## ABOUT FAST CAT

Fast CAT is a timed straight individually run 100-yard dash for dogs.

Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen.

The course is completely fenced and dogs are run individually.

Dogs are timed when they complete the 100-yard dash. The time is converted to Miles Per Hour (MPH) using the following calculation -- 204.545 divided by the dog's time.

Based on the dog's size at the withers a handicap is applied and points are earned:

### FORMULA: 204.545/ Time = MPH X HANDICAP = POINTS

Titles are earned at specific point levels and the highest suffix may appear after the dog's name.

### AKC Titles based on Points Earned

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT# = Each additional 500 points

### Handicap based on height of dog

- 18" or greater = Handicap is 1.0
- 12" up to less than 18" = Handicap is 1.5
- Below 12" = Handicap is 2.0

**Top 20 by Breed by Year:** The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed.

### 10 Tips for Beginners (and Reminders for those with experience) --

- Bring 2 leashes--one to release your dog and one to catch your dog
- It works best to have someone release your dog and someone to catch your dog-- if you are solo there are many helpers to ask at the trial, just be sure to plan ahead.
- Be ready at the starting line-- pay attention to your run time and have your dog and releaser ready to go
- Be ready at the finish line--have your catcher and a leash at the finish line ready to catch.
- Don't forget to give your time card to the Timers Table.
- Your dog can run with collar and tags, and no muzzle --this is at your discretion
- Walk your dog back from the finish line to help them cool down, take advantage of dog water station and dog pool--this is specially important on warm days.
- As a courtesy to those running; do not walk near the course--even a small distraction can cause a dog to lose focus and slow down.
- Dogs must run the course by themselves. See the AKC rules for specifics.
- Your getting exercise too!! Relax and have fun
